Enea Landscape Architecture - Official Partner of Art Basel in Basel

Enea is delighted to announce its new partnership with Art Basel. With their upcoming nature installation, the internationally renowned office for landscape architecture is laying the foundation for a long-term collaboration with the most important art fair in the world.

Details about the project of Enea Landscape Architecture for Art Basel in Basel from the 13th to the 16th of June 2019, will follow.

About Enea

Since its foundation in 1993, Enea has established itself as one of the foremost companies in the field of landscape architecture, in both Switzerland and worldwide. The award-winning company is recognized for its consistent ability to realize complex designs and installations of private gardens and terraces, restaurants, hotels and resorts, as well as corporate gardens, public parks and golf courses. The Swiss headquarters are supported by offices in New York and Miami. The project closest to Enzo Enea's heart is the one and only Tree Museum located in Rapperswil-Jona. This open-air museum, founded in 2010 by Enzo Enea, CEO and landscape architect, reveals how landscape, architecture, art and design can be brought together in beautiful harmony.

About Art Basel

Founded in 1970 by gallerists from Basel, Art Basel today stages the world's premier art shows for Modern and contemporary art, sited in Basel, Miami Beach and Hong Kong. Defined by its host city and region, each show is unique, which is reflected in its participating galleries, artworks presented, and the content of parallel programming produced in collaboration with local institutions for each edition. Art Basel's engagement has expanded beyond art fairs through a number of new initiatives such as Art Basel Cities, working with partner cities on bespoke cultural programs.
