VILLA EDEN LUXURY RESORT

WITH ITS SPECTACULAR VILLAS, FIVE-STAR CLUBHOUSE, BROAD SPECTRUM OF LUXURY SERVICES AND EXCLUSIVE LIFESTYLE, THE VILLA EDEN LUXURY RESORT IS CONTINUING THE SOPHISTICATED TRADITION OF THE FORMER ARISTOCRATIC HOLIDAY RESORT OF GARDONE. SITUATED HIGH ABOVE LAKE GARDA THE RESORT OFFERS ITS GUESTS EXQUISITE, FEEL-GOOD ACCOMMODATION DESIGNED BY SEVERAL OF THE MOST ILLUSTRIOUS ARCHITECTS OF OUR TIME COUPLED WITH A LAID-BACK, MEDITERRANEAN AMBIENCE SURROUNDED BY 78,000 SQUARE METRES OF PARK-LIKE GROUNDS AND A PICTURESQUE LANDSCAPE THAT HAS INSPIRED COUNTLESS GENERATIONS OF GREAT ARTISTS.

LAKE GARDA SPARKLES IN SHADES OF AZURE, the snow-covered summit of Monte Baldo carves its silhouette in the steel blue sky, the leaves on the olive trees shimmer silver in the breeze, ripe lemons bask in the sunshine and the warm air is filled with the scent of wild herbs and an abundance of

flowers growing on the gently undulating hills. Few places on earth boast such a harmonious blend of Alpine scenery and Mediterranean panache as Lake Garda. With its distinctive charm, the south-west coast of Italy's largest lake, in particular, has been attracting discriminating travelers for centuries. And the exceptional Villa Eden Luxury Resort is continuing the region's sophisticated tradition. Located high above the Gardone Riviera – a holiday destination that has preserved its up-scale Belle Époque-era charm – the luxurious resort is set amid 78,000 square metres of park-like grounds and offers spectacular views of the picture-perfect landscape. **Designed by celebrated international architects Richard Meier, David Chipperfield, Matteo Thun and ATP Sphere, along with landscape designer Enzo Enea, this resplendent establishment is made up of several villas, each of which is unique in its own right.** At the centre of the estate is the five-star Clubhouse. Designed by Milan-based architect Matteo Thun, it houses nine luxurious rooms and suites and a spacious high-end spa with sun deck, saunas, indoor and outdoor pools, spa and gym. A particular highlight is offered by the new fine-dining restaurant 'La Terrazza Segreta' which

translates as 'the secret terrace'. Boasting a glorious lake view, this is a place where both cooking and savouring are celebrated as art forms. Award-winning chef Peter Oberrauch, who took over the kitchen reins at the start of the 2018 summer season, conjures up light, creative Mediterranean and international cuisine using finest-quality products from local small-scale farmers and fishermen. Just like the stylish ambience, the refined Italian way of life is also reflected in his exquisite dishes. Peter Oberrauch has been honoured with many prestigious accolades from renowned gourmet guides, including Gault&Millau, whose reviewers have repeatedly awarded the South Tyrolean cuisinier two coveted toques and 16 points. However, no matter how outstanding the culinary delights may be, the most spectacular features of the Villa Eden Luxury Resort are its stunning penthouses and villas designed by star architect Matteo Thun. Created in a style that picks up on the local vernacular, they all offer breathtaking views across Lake Garda.

Floor-to-ceiling windows allow natural light to flood the living spaces, the Mediterranean atmosphere of which is accentuated by the use of exquisite natural materials, muted colours and carefully selected designer furnishings. Just like in all the other resort's exceptional luxurious residences, the Landmark penthouses and suites each include a fully-equipped top-of-the-range kitchen, private garage, 24-hour concierge service, a spacious terrace with pool and, an added highlight in the villas, a private spa and gym.

Undoubtedly, the crowning glory of this outstanding new resort is the Villa Sphere Ovest, brainchild of Marc Mark, multi award-winning architect. What distinguishes this villa is its panoramic, stand-alone location and its breathtaking interior with space to accommodate up to ten guests.

The luxurious amenities, which include a spacious pool and a private spa and gym, are com-
